

We Gather Your Facts. We Combine Our Expertise. We optimize Every Alternative. We Innovate a Unique Plan. We Produce Knowledge. We Implement. We Monitor. We Manage. We Deliver Value.

We Start Over Again.

HIGHER EDUCATION

Strategic and consultative, Risk Strategies employs a diverse range of skills outside of the traditional insurance sector. As **The Education Experts**, we emphasize creativity, innovation, efficiency, flexibility and specialized industry knowledge that consistently delivers practical, cost-effective results.

The RSC Education Services Group Advantage

RSC Education Services Group specializes in risk management and insurance solutions for the Higher Education Industry. Through our consultative approach to risk management, The RSC Education Services Group works with Colleges and Universities to assess their strategic, operational, financial and hazard exposures.

Experience

RSC Education Services Group has a national network of dedicated professionals within the education brokerage industry. Devoted to the education industry, our experts are able to focus on the challenges our clients face by bringing in-depth understanding through our intimate knowledge of a particular practice area. Our national platform allows us to work across geographic boundaries to swiftly bring together relevant resources to our clients.

Technology

Risk Strategies is committed to the improvement and transparency of service through technology.

Secure access coupled with customized content is a powerful combination in effectively managing your risk. By providing a shared platform for our clients, transactions run more smoothly and everyone is on the same page.

Test-drive our Extranet Client Portals and On-line Certificate Request Tool info@risk-strategies.com.

Market Knowledge

RSC is well known in the insurance and risk management industry for our ability to negotiate aggressively and effectively on behalf of our clients. Our understanding of the education market coupled with a consultative and analytical approach gives our clients a consistent edge in obtaining cost-effective coverage and services.

RSC is experienced in providing its higher education clients with risk and insurance solutions to deal with exposures such as pandemic, campus safety & security, studies abroad, student transportation, environmental issues, intellectual property, inter-collegiate athletics, research, construction projects, and governmental mandates such as MMSE 111, HIPAA, EPA, Gramm-Leach etc.

Client Focus

RSC Education Services Group's efforts are focused entirely on managing client needs and issues. We concentrate all of our creative energy on client matters utilizing our collaborative approach to meet client objectives in a focused and cost effective fashion. Understanding that client needs can arise at any time,

RSC Education Services Group recognizes the need for total accessibility and speed in responding to client needs. Our commitment to responsiveness, supported by technology, ensures availability to our clients whenever a need arises.
