

We Gather Your Facts. We Combine Our Expertise. We optimize Every Alternative. We Innovate a Unique Plan. We Produce Knowledge. We Implement. We Monitor. We Manage. We Deliver Value.

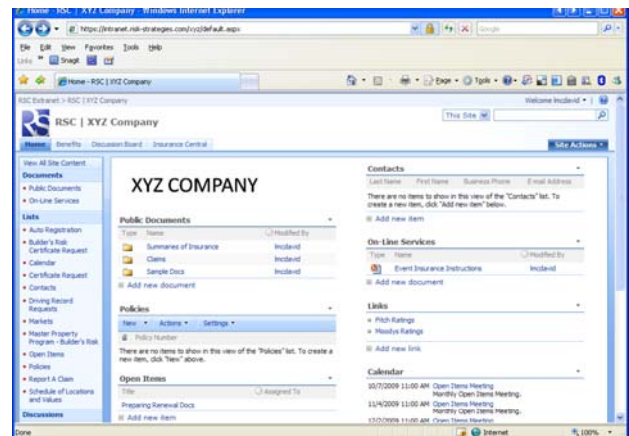

**We Start Over Again.**

Strategic and consultative, Risk Strategies employs a diverse range of skills outside of the traditional insurance sector. We leverage technology to emphasize creativity, innovation, efficiency, flexibility and specialized industry knowledge that consistently delivers practical, cost-effective results.

### RSC Technology Group

RSC integrates service requests, document management, financial analysis, loss modeling, internal/external reporting and marketing into one practical system unique to us. RSC designs a RiskConnex Portal for each of our clients, built on Windows SharePoint Services technology offering unparalleled compatibility and integration.

## RiskConnex Features

- Service requests submission
- Interactive team calendar
- An interactive task/to do list
- Certificates of Insurance
- Shared document section
- Policy documentation
- Claims documentation
- Web-based threaded discussion
- Overall project and task status
- Marketing submission data and analysis
- Open item meeting schedules and notes

Objective. Independent. Unbiased.

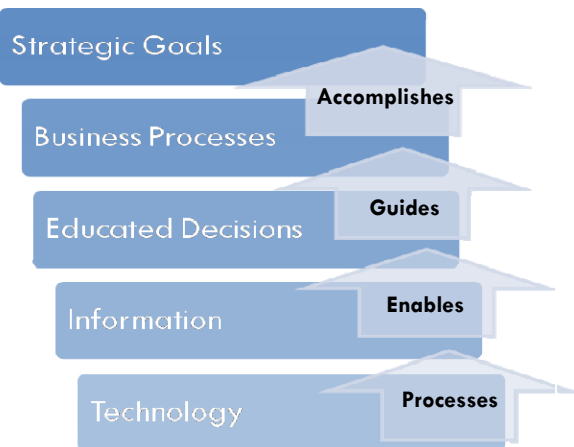

## Technology Platform

Risk Strategies is committed to the improvement and transparency of service through technology.

Secure access coupled with customized content is a powerful combination in effectively managing your risk. By providing a shared platform for our clients, transactions run more smoothly and everyone is on the same page.
